

Notice to Mariners – 05-2022

06th June 2022

Deep-Water-Terminal Construction & Development Works

Notice is hereby given that civil construction and development works in relation to Deep-Water-Terminal are presently scheduled to commence on / around the 20th June 2022.

Development, and constructional work activity will initially be land based; however, said works are expected to continue and progress down towards the shoreline and below MLWS without delay.

Work will initially be confined to the area West of the inner anchorage and North West of Glumaig Harbour; South of the line of latitude 58^o 11.85'N and West of the line of Longitude 006^o 22.95'W.

Mariners and port users are requested to keep well clear of this area and are advised to navigate the surrounding areas with extreme caution.

Supplementary notices to mariners will be promulgated as / when required with updated and additional information pertaining directly to this development, and safety of navigation.
